1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.

1. Preliminary estimate pending completion of action reauthorizing the Elementary and Secondary Education Act.

2. This program is proposed, along with selected categorical programs, for consolidation into a new State grant program in the reauthorization of the Elementary and Secondary Education Act. It is expected that the proposed new program will allow flexible funding at the State and local levels, including funding for activities similar to those currently supported.

3. Of the amount for School Renovation Grants in fiscal year 2001, a portion may be used for Part B of the Individuals with Disabilities Education Act and/or for technology activities related to school renovation.

4. Funds are provided under the ESEA Title I Demonstrations of Comprehensive School Reform

5. This program is proposed for consolidation under Bilingual and Immigrant Education State Grants. State allocations will be determined after completion of action reauthorizing the Elementary and Secondary Education Act.
